October 2023

Since its creation in **1948**, Israel has committed the most **atrocious crimes** on the Palestinian population. Murders and brutalities that extend far beyond October 7th.

As the world sliently watches a **systematic genocide**, we will continue to raise our voices and our stories - of **murder, mutilation, targeted attacks of civilians**, and the grim reality of a **ruthless and bloody apartheid**.

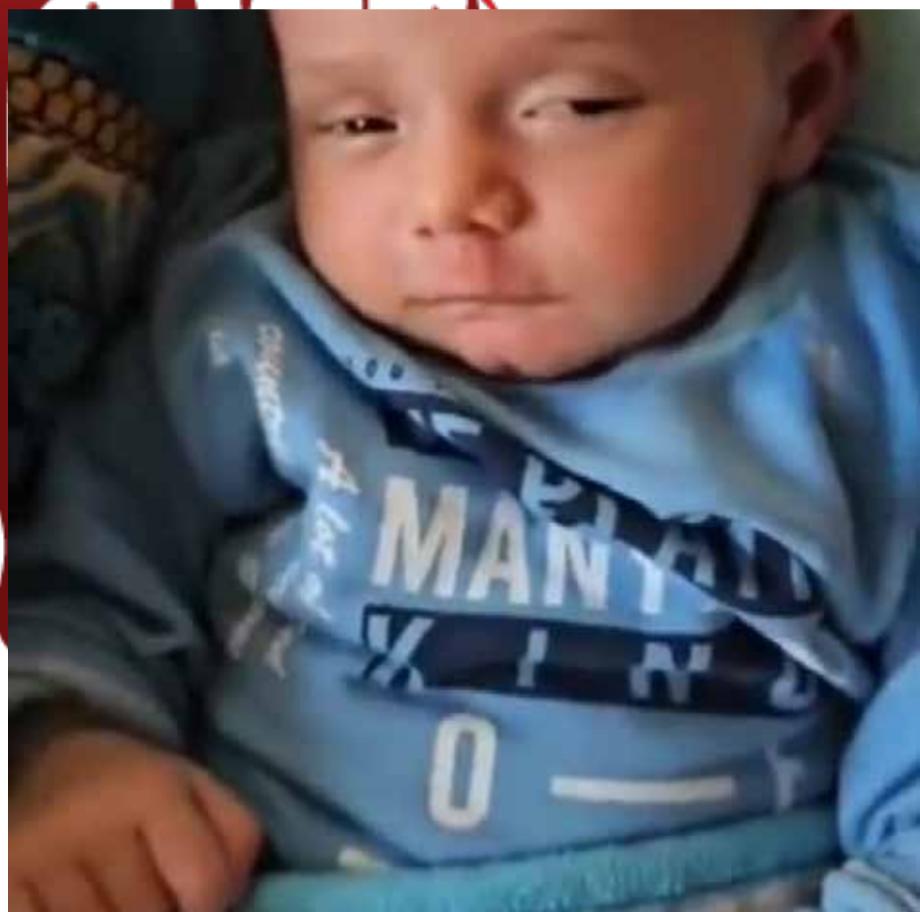

**Spread the truth. Change the narrative. Take a photo.**

Palestinians have **every right to their land.**  
Palestinians have **every right to resist.**
